

RISE Accelerator

Advanced/Startup Visa Program

The RISE Advanced/Startup Visa Program is an acceleration program. The program supports companies in increasing sales and funding in the Canadian market. Through a combination of one-on-one coaching and mentoring as well as peer to peer sessions, entrepreneurs work through a comprehensive implementation plan at their own pace. This assures the greatest likelihood of a successful business launch.

Two 3 month segments

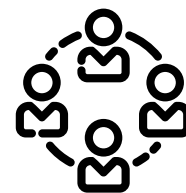

Cost of the Program:

CAD \$1,000 per month for one participant
\$250 per month for each additional participant (from the same company)

Includes 5 hours/month of mentorship
Additional mentoring available on a fee for service basis if requested

Program Acceptance:

- Successful completion of BASE and RISE General Program
- Presentation to, and approval by Roseview's Entrance Panel
- Special (additional) screening process for SUV Candidates including approval by Roseview's Board of Directors
- Sufficient capital to sustain business through to launch
- English level proficiency

Up to 5 cohorts in-person

Key Takeaways:

- Introductions to business executives and coaches providing oversight in the delivery process
- Access to business executives and coaches. Additional consultation work will be available if contracted by the Founder.
- For those requiring language assistance, English as a second language (ESL) tutoring will be available
- Customized program

Location: In-house incubator Waterloo Region or virtual during Covid-19 restrictions
